

Add It Up

Icewear Vezzo

Yeah, been lurkin' for so long, them niggas thought they was gettin' away with it

Yeah, them rack so long, I don't need no safe, got day-to-day chicken (Hawky, haha)

President like Joe Biden, that's why the face got day and date in it

Be poppin' shit for real, I can pop my shit, for real, huh

Coolest niggas get pape', other than that, I'm with them same niggas

Heard they haven't paid districts, that's why niggas chain missin'

I ain't with no snake, no pussy niggas or no rats, it's only ga ng with us

Huh, bitch, it's only gang members

Dirtied up with fifties, leave this bitch with who all came with us

We know who blow that pipe, yeah, I cop ice for all my main mem bers

Yellow Cybertruck, rims look like Davins when I'm lane switchin '

Fuck a bitch on sight, I ain't got no manners, too much pain in me

Hundred racks in my pocket and I got hammer right in them same Rickies

Neck piece full of chunks, and in that range, they think it's blade in it (And in that range, they think it's blade in it)

I can fuck the streets up if I want 'cause I was made in 'em ('Cause I was made in 'em)

40s, MACs, and K's with us, forty racks a day shiftin'

The way we let off hundreds, smack some shit, look like a train hit him (Look like a train hit him)

This shit ain't addin' up

Rappin' 'bout some shit that you ain't did, go turn your savage up

Play pussy, get your cabbage bust, turnt, that's why they mad at us

Made two million, get three other mill' and still ain't had eno ugh

Dump the Prezi', blew the Pate' up, that's like two Caddy truck s

Us and millies, coupe, we dab it up, can't even back it up

I had zips of ice and pints of lean before them bags was puffed

I had bricks of white and Xans and weed, that's how we ran it up

Add it up, so much pape', can't fit inside my jeans, that's why it's standin' up

These hoes be anxious, tryna get on them knees, yeah, I fuck te

ns and up

Jewelry all on my sleeve, my wrist in rings, that's why we count it up

Take the dope and smash it up, compressors, how you mash it up, nigga? (How you mash it up?)

Yeah, been lurkin' for so long, them niggas thought they was gettin' away with it

Yeah, them rack so long, I don't need no safe, got day-to-day chicken (Hawky, haha)
