

Ain't Enough

Icewear Vezzo

Yeah
Aight
Road music
This for KiKi

A million dollars ain't enough, I need two hundred mil'
Gotta feed my wife and kids, risk my life to give to them
A hundred racks in dubs, shit ain't light, but it ain't much
Drop the top, coronavirus, double-R, new Rover truck
The type of money, if they hidin', get your brodie touched
Feds 'round, they know we up, keep pony tucked and Rollie bust
Been grindin' like it's ten of me, but I need more of us
Them bills late and I got shit to do, so I ain't slowin' up
Back against the wall and I go harder, sure enough
If that's your paper, throw it up, we got this bitch goin' up
Seen a real nigga turn to pussy, seen a pussy nigga cappin' like he r
eal, and that's why shit been goin' left

Yeah, a million dollars ain't enough
Yeah, a million dollars ain't enough
Yeah, couple mil' just ain't enough
Bitch, I need two hundred mil', we goin' up, nigga
Yeah, million dollars ain't enough
Hmm, million dollars ain't enough
Yeah, twenty mil' ain't enough
Swear this street shit ain't the same, I'm goin' left

Seen my mama cry for real, my brother ain't seen his kids
My lil' sister died for real, that's why I'm gettin' high off meds
Fuck the streets if shit ain't 'bout no cheese, them niggas playin'
Dive right in, don't need a plan, that ain't no risk, shit, that's a
chance
I done did hella crime
Used to think that I was stressed, look at the diamonds on my wrist,
thought 'bout the kids in Palestine
Kids all around the world, they turn their crib to battlegrounds
Had a thought 'bout Jeezy too, they took his life instead of mine
A million dollars the new hundred, a hundred's the ten
The ten's the new thousand, risk your life to get it in
Huh, out of town, just touched down with them pints, we in the wind
Givin' life, you ain't a ten, necklace icy than a fridge

Yeah, a million dollars ain't enough
Yeah, a million dollars ain't enough
Yeah, couple mil' just ain't enough
Bitch, I need two hundred mil', we goin' up, nigga
Yeah, million dollars ain't enough
Hmm, million dollars ain't enough
Yeah, twenty mil' ain't enough
Swear this street shit ain't the same, I'm goin' left
