

Say she want a rich nigga, I'm already there  
And I ain't have to buy her ass, it's already fat  
Ain't need a perk for the pussy, it's already wet  
She ain't have to get naked, she already that  
I be racing to the pussy like ready set  
Ain't gotta save, for the money, I'm already set  
Before she knew my name, we already sexed  
And it ain't been ten minutes, she already text

Say she want a ghetto nigga with a yay spot  
Got a bad yello bitch like Ye got  
And a bad brown bitch like Ray got  
Bend it over, blow her down, no face shots  
I just want a thick girl like KD  
So we can fall on these hoes like KD  
Put the tech on her wrist, the AP  
Get the pussy, beat it up, bitch I'm Tay Keeth  
Drank God, add it up, I'm the ice champ  
Got a shorty from the hood, but I don't wife rats  
Talking crazy on the gang, get your wife snatched  
Hit it all night long, that's a night cap

Say she want a rich nigga, I'm already there  
And I ain't have to buy her ass, it's already fat  
Ain't need a perk for the pussy, it's already wet  
She ain't have to get naked, she already that  
I be racing to the pussy like ready set  
Ain't gotta save, for the money, I'm already set  
Before she knew my name, we already sexed  
And it ain't been ten minutes, she already text

Kash Doll!  
Say he want a rich bitch, I'm already that  
Got a couple hundred niggas I already hit  
He ain't last ten minutes, I was disappointed  
Fuck around and made me cancel the dick appointment  
Said he want to kill the pussy, tryna make me loyal  
Still gotta spend the corn before [?]  
Slim waist, whide hips for a rich nigga  
Big body, can't be fucking with a stiff nigga  
He say I'm rocking all my ice, make a stick figure  
I told him we don't need no lights, cause my [?]  
Fuck faces while we sexing on six figures  
Right before I finish, put your fucking face in it

Say she want a rich nigga, I'm already there  
And I ain't have to buy her ass, it's already fat  
Ain't need a perk for the pussy, it's already wet  
She ain't have to get naked, she already that  
I be racing to the pussy like ready set  
Ain't gotta save, for the money, I'm already set  
Before she knew my name, we already sexed  
And it ain't been ten minutes, she already text
