Icewear Vezzo

(Thank you, June)

(Ooh, shit, that's a Danny G beat)

Poured it, I got lockjaw 'cause I'm rollin'
I put twenty-sixes on the striker and it's stolen
Hundred racks in fives, got my pockets lookin' swollen
Blew a half a million on the Viper, never drove it
Auntie geekin', she don't like to shoot it, so she nose it
Up the fan, got them pussy niggas like they posin'
Mixed a brick of fatty with the Roxies, it exploded
Feds hot, heard they raided the spot and niggas folded
Flew a thousand 'bows on the Delta, I'm the coldest
Really from the trenches, we the niggas that control it
Go Vacheron with green faces like it's molded
I got old paper, far as dog shit, I'm the oldest
Dog spot by the yam spot, it's full of turkeys
I be always itchin' in the club 'cause I'm off Yerkies (Huh)
I been gettin' money back when Nextel had us chirpin'
Took my ho to LIV, she got 40 in her Birkin
Pop a triple stack, it got me coolin' while I'm servin'
I get high on drills, I be droolin' when I'm lurkin'
Tesla with the sparkles got me groovy while I'm surfin'
I won't never kick that dope 'cause I be booted up on Perkies, huh

Maybach, not the 680, this the new one
Tweakin' in the function, pop a G6 with the shooters
He tweakin' with that fatty and that skizzy, I'll make a new one
I got so much ice, I took a cooler to my jeweler
Been talkin' for a hour, I need a water when I jig
Huh, before the 'bows of 'zas, went retarded off the mids
Fifty on my bracelet, doubled up, yeah, I got twins
Dropped twenty in my ears, that's your daughter, on niggas' kids
Before we had the X's, we was slidin' off a Xanax
When I talk and I'm off Texas, yeah, she hardly understand me
Fuck a Booby Trap, we spent a quarter in Miami
Was up until the morning, I left out and went to breakfast, hah
