The time of you and me is like a dream  
This feeling that can't be expressed in words  
For you who always became a light  
I love you forever  
Your smile shined exceptionally bright  
I can't forget the day we first met  
You hugged me warmly with warm eyes

Do you remember that time  
Take them out one by one  
Promise me all the days  
Let's walk this road together forever  
My love, remember

Ooh, ooh-ooh-ooh  
No, yeah

Remember the times where we used to be together  
We were writing a story, that's called "forever"  
Can you stay by my side, hug me  
Can I call you mine just like me and you?  
You're always the light to my life  
So come on hold my hand we'll thrive  
Adults say this is love  
'Til the day we meet, I'll be waiting for the D-Day

Do you remember that time  
Take them out one by one

Promise me all the days  
Let's walk this road together forever  
My love

After the dark  
I will always be by your side  
It was like a dream that I wished for  
Come now, I will be with you

Do you remember that time  
Take them out one by one  
Promise me all the days  
Let's walk this road together forever, my love  
I will remember us this time  
I will never forget  
Always stay by my side  
Let's walk this unchanging road together  
My love
