They're all similar, like it, like that
Wish that I could be best
As if to show everyone
I glow myself
All the same words
Such dull rules
The more they try to confine me, the stronger I become

I'm a diamond, my value's unpredictable
Now I'll show you
Stinging wounds
Just make me shine even more, deep inside

Bite me more, bite me
Oh, oh
Bite me more, bite
Oh, oh
Bite me more, bite

Unexpected taste
A cake that only looks beautiful
If you expected sweetness
Baby, I'm sorry
I'll never fit
In your pitiful imagination
Don't label me, be careful

I'm a diamond, my value's unpredictable
Now I'll show you
Stinging wounds
Just make me shine even more, deep inside

Bite me more, bite me
Oh, oh
Bite me more, bite me
Oh, oh
Bite me more, bite me

I'm on my own, look what I do
I'm not afraid
Do it if you wanna hurt me (Oh-oh)
Do it if you wanna bite me
I become more beautiful

(Oh-eh-oh-oh-oh)
Oh, don't hesitate
Bite me more, bite
(Oh-eh-oh-oh-oh)
Oh, oh, nobody can do act like me
Bite me more, bite me
