Come out, come out, wherever you are
Hide it so that my heart won't be found (Yeah)
Beep beep where were you
Find it in my ladder
Hide, where did you hide?
Hide it, if you get caught, you're mine
I hear my steps approaching
Lift us higher

One two three, it starts, suffocating
The game between us (Game, game)
This heartbeat is getting louder
Tell me my victory

Play one, two, three, whose turn is next
This trembling is getting faster, I run towards you
(Hide secretly) I have it if you want it
(Hide it tightly) Until the sun goes down, we play
Play one, two, three, this time I'm a tagger
This trembling is getting faster, I run towards you
(Hide secretly) I have it if you want it
(Hide it tightly) Until the sun goes down, we play

It'll be fun, run to the end
I am your the only one
No matter how much you hide
You know, I'm different, I'm not anyone
Everyday we chill (Uh)
The finished iridescent paint (Yeah)
I will look for you
The growing atmosphere is a thrill, oh

Hide, where did you hide?
Hide it tightly, if caught, you're mine
Who will win? guess it
Where will you be? I got ya

One two three, it starts, suffocating
The game between us (Game, game)
This heartbeat is getting louder
Tell me my victory
