

## Thirteen

Icon for Hire

I'm not someone I want to be  
Felt this way since I was thirteen  
Thought I'd gotten better but it was just a phase  
Yeah it was just a phase  
Yeah it was just a phase

I always end up back at the keys  
I play in A minor 'cause it feels like me  
Thought I'd gotten better but still can't really play  
Yeah still can't really play  
Yeah still can't really play

Just keep going  
Just keep going  
Just keep going  
Just keep  
Just keep going  
Just keep going  
Just keep going  
Just keep  
Just keep going  
Just keep going  
Just keep going  
Just keep  
Just keep going  
Just keep going  
Just keep going  
Just keep
