

We're alive and we're among you, we breed and we conceive you,  
you live because we allow you to live and you breathe because w  
e allow you to breathe

You're incapable to think of breathe for yourself.  
We pull the strings, cut out the wings  
We're in charge of all the peace and of all the noise.  
You think there is a God, you are only toys  
You're toys

You walk, you talk, you breathe, cuz we need you to  
Work, produce, be used, when we want you to.

You're incapable to think of breathe for yourself.  
We pull the strings, cut out the wings  
We're in charge of all the peace and of all the noise.  
You think there is a God, you are only toys  
You're toys

You eat, you taste, enjoy when we allow you to  
Relax, you sleep, you feel, when we force you to
