

Rhythm In My Blood

Icona Pop

Based just like a wave
Filling up the room
Vibrating in my heart
Moving nine to five
You make me wanna jump up to the moon
In the city lights
Do you wanna ride?
Do you wanna ride?

We get up dancing
We can't deny
We're just burning
Stretch your bodies through the light
God made me high
Still wanting more
We're just burning
Stretch your bodies on the floor

Feel the rhythm in my blood!
Feel the rhythm in my blood!
Feel the rhythm in my blood!
Feel the rhythm in my blood!

Leader on the walls
People in my face
Thousand hungry eyes
Cocktail in my veins
(I'm never gonna) learn from my mistakes
Do them all again
This must be the place
(I'll tell you that) this must be the place

We get up dancing
We can't deny
We're just burning
Stretch your bodies, through the light
God made me high
Still wanting more
We're just burning
Stretch your bodies on the floor

Feel the rhythm in my blood!
Feel the rhythm in my blood!
Feel the rhythm in my blood!
Feel the rhythm in my blood!

Oh oh, oh oh
I know you're gonna like it like a lot
Oh oh, oh oh
And now I'm tryna give you everything I've got
Oh oh, oh oh
I know you're gonna like it like a lot
Oh oh, oh oh
And now I'm tryna give you everything I've got

We get up dancing
We can't deny

We're just burning
Stretch your bodies, through the light
God made me high
Still wanting more
We're just burning
Stretch your bodies on the floor

Feel the rhythm in my blood!
Feel the rhythm in my blood!
Feel the rhythm in my blood!
Feel the rhythm in my blood!
Feel the rhythm in my blood!
Feel the rhythm in my blood!
Feel the rhythm in my blood!
Feel the rhythm in my blood!
