

# Could This Be Love

Ida Corr

Could this be love  
Hah woo ah yeah yau  
Ah hah (Could this be love) ooh ah yeah yau  
La la la la la

You're totally wrong not for me at all  
Too young to be my man too old to just hold hands  
But what am I supposed to do I can't ignore me loving you you  
(mhh hhh what am I supposed to do)

I can't believe I haven't left  
It should have been one night not you and me for life  
But what am I supposed to do I can't ignore me wanting you you

Could this be love  
Hah woo ah yeah yau  
Ah hah (Could this be love) ooh ah yeah yau  
La la la la la

Hah woo ah yeah yau  
Ah hah (Could this be love) ooh ah yeah yau  
La la la la la

I told you that I can't commit  
Don't wanna get attached not even if we matched  
But what am I supposed to do I can't ignore me needing you you

This wasn't what I was planning for  
It can't be meant to be I need to be free  
But what am I supposed to do I can't ignore me craving you you

Could this be love  
Hah woo ah yeah yau  
Ah hah (Could this be love) ooh ah yeah yau

I want you to be naked  
Is that love - just naked - or desire  
I want you to be naked  
Is that love - just naked

Is this love  
Hah woo ah yeah yau  
Ah hah (Could this be love) ooh ah yeah yau  
La la la la la

Hah woo ah yeah yau  
Ah hah (Could this be love) ooh ah yeah yau  
Could this be love

Hah woo ah yeah yau  
Ah hah (Could this be love) ooh ah yeah yau  
La la la la la
