

I Want You

Ida Corr

I want you baby
Don't you wanna stay?
Don't you wanna
Stay, stay, stay

I want you baby
Don't you wanna stay?
Don't you wanna
Stay, stay, stay

I don't wanna cry anymore
'Cause there ain't no use for crying
Not gotta leave again now that's for sure
Even if we're fighting

I know our love ain't easy
Hard to understand
But we were always meant to be
I'm your wife and you're my man

I want you baby
Don't you wanna stay?
Don't you wanna
Stay, stay, stay

I want you baby
Don't you wanna stay?
Don't you wanna
Stay, stay, stay

'Cause with you lies the answer
To my questions why
And when I look in the mirror
I see me through your eyes

Even if I was forced to leave
I would come back running
'Cause you are all that I believe
My one and true religion

I want you baby
Don't you wanna stay?
Don't you wanna
Stay, stay, stay

I want you baby
Don't you wanna stay?
Don't you wanna
Stay, stay, stay

Ah
Please stay

I.... want you to stay
I.... want you to stay

Woo!

I want you baby
Don't you wanna stay?
Don't you wanna
Stay, stay, stay

I want you baby
Don't you wanna stay?
Don't you wanna
Stay, stay, stay

Woo!

I want you to stay
Don't you wanna stay?
Don't you wanna stay?
Stay, stay, stay

I want you to stay
Don't you wanna stay?
Don't you wanna
Stay, stay, stay
