

# Raindrops

Ida Corr

I search myself to cleanse my soul  
And can't deny there's lots to go  
Waiting for the sound of thunder  
Raindrops then bound to follow  
And wash away all of my pain

Ain't nothing wrong with who I am  
It's just that I get so confused  
When heart and mind don't seem to get along  
When up is down and weak is strong  
Show me the way  
To love from love come love pure love

Rain are you near  
Rai-ai-ai-a-ain  
Rai-ai-ai-ai-a-ain

I need you here  
Rai-ai-ai-a-ain  
Rai-ai-ai-ai-a-ain

I need to know just where I stand  
Of what I'm made and who I am  
Calling out my name for history  
Hoping it has a place for me  
I'll do what I can to take a stand

In humble silence (I say my prayer)  
I say my prayer (my wish for you is)  
My wish is granted (to be right here)  
And I'm still here  
Fighting for the very best in me  
To be the thing that eyes will see  
And to accept that I'm not perfect

Rain are you near  
Rai-ai-ai-a-ain  
Rai-ai-ai-ai-a-ain

I need you here  
Rai-ai-ai-a-ain  
Rai-ai-ai-ai-a-ain

I need you here  
I need
