Some people don't really want you to hit the top, unless you're
bringing them with you
So, how many people would you say are actually in your circle,
and how many...
Nobody, look, listen
Listen, look
So, nobody don't really wanna keep
Nobody gon' really want you to hit the top 'less you bringing t
hem with me, like, or with you
Like, okay, I want you to make it
But if he bringing him with ya
Not if he brings him
No boy, okay, like, okay
You might want me to make it
But, I ain't bringing you with me, though
I'm finna make it, I'm finna make it
But, I'm just saying, pretty [?]
But I ain't finished, you still want me to make it?
