

Does She Even Know

IDER

Anxiety in my sleep
How you wait for me
Pain in my chest
How you cling to me

I don't really know
I don't really know
I don't really know
How to fix me
And does she even know
Does she even know
Does she even know
How you once loved me?

It's a strange feeling
You're never coming home
What a way to love someone
What a way to let someone go
It's a strange feeling
Like I'm never gonna be home
What a way to love someone

Memories in my brain
How they lie to me
Telling me again and again
That you're the only one for me

I don't really know
I don't really know
I don't really know
If I'll ever be more than fine
And does she even know
Does she even know
Does she even know
How you were once mine?

It's a strange feeling
You're never coming home
What a way to love someone
What a way to let someone go
It's a strange feeling
Like I'm never gonna be home
What a way to love someone

Time slipping by
Won't you heal me
I have no pride
Left to comfort me

I don't really know
I don't really know
I don't really know
If I'll ever feel peace
And I will never know
I will never know
I will never know
How you forgot me
