embarrassed

IDER

How much of my clothes can I take off?
How much of my body can I show you?
I don't wanna waste this moment in case you like me
But I'm scared I'll make you go and
You're looking amazing in your Friday night best
And I'm thinking 'bout dropping the cards from my chest
When they call last orders and it's time to go home

Don't leave me alone
Don't leave me alone

How much of the truth can I tell you?
How much of the mystery is part of the game?
You've been the top of my favourite for so long now
But suddenly I feel like I don't know your name and
I wanna slip these words right out of my lips
How I'm thinkin' 'bout droppin' the pants from my hips
I can't count the times I've imagined this

I don't wanna be your friend no more, I don't wanna know you like thi
s
I just wanna kiss you on your floor, I don't wanna feel embarrassed
I don't wanna be your friend no more, I don't wanna know you like thi
s
I just wanna kiss you on your floor, I don't wanna feel embarrassed

I'm so shy at saying goodbye when I really care, I think I'd rather d
ie
And I never knew what baggage was until I said it was over before I t
ried
I'm so annoyed I'm shouting about this, why can't I put my heart wher
e my mouth is?
I see your face in the crowd you look so embarrassed
Fuck is this the first time you're hearing about it?

I don't wanna be your friend no more, I don't wanna know you like thi
s
I just wanna kiss you on your floor, I don't wanna feel embarrassed
I don't wanna be your friend no more, I don't wanna know you like thi
s
I just wanna kiss you on your floor, I don't wanna feel embarrassed

I don't wanna care, I don't wanna care
I don't wanna feel, no
I don't wanna care, I don't wanna care
I don't wanna feel, no
I don't wanna care, I don't wanna care
I don't wanna feel, no
I don't wanna care, I don't wanna care
I don't wanna feel, no

I don't wanna be your friend no more, I don't wanna know you like thi

s
I just wanna kiss you on your floor, I don't wanna feel embarrassed
I don't wanna be your friend no more, I don't wanna know you like thi
s
I just wanna kiss you on your floor, I don't wanna feel embarrassed
