

Invincible

IDER

Paint my body silver
I'm a new shape of me
I'll wear our life like armour looking at the world we're making
Say what I say, be what I be, looking at you
I'm a new shape of me
See what I see, we gonna lead, looking at you looking at me
All I need

We count our rituals
Gonna head out straight, gonna manifest, meditate
Oh, we so invincible when we congregate, make the powers shake
If you wanna go fast then go alone
But we wanna go far so we stay close
So, we count our rituals
We are so invincible

Oh, ay, oh-oh ay
Oh, ay, oh-oh ay (We are so invincible)
Oh, ay, oh-oh ay
Oh, ay, oh (We are so invincible)

Paint my body silver
Hit running on the ground and I exhale
Keep bleeding like we play boss
Come and cut your teeth with a female
Say what I say, be what I be, looking at you
I'm a new shape of me
See I what I see, we gonna lead, looking at you looking at me
All I need

We count our rituals
Gonna head out straight, gonna manifest, meditate
Oh, we so invincible when we congregate, make the powers shake
If you wanna go fast then go alone
But we wanna go far so we stay close
So, we count our rituals
We are so invincible

Oh, ay, oh-oh ay
Oh, ay, oh-oh ay (We are so invincible)
Oh, ay, oh-oh ay
Oh, ay, oh-oh ay (We are so invincible)
Oh, ay, oh-oh ay
Oh, ay, oh-oh ay (We are so invincible)
Oh, ay, oh-oh ay
Oh, ay, oh-oh ay (We are so invincible)

Con inspired, grounded power
Shout with me baby, make our voices louder
Stay together 'til we feel complete
Pour stone over our body so we strum like concrete
Ruminate, concentrate, ungrateful
I see big horizons I pray for
You, I see, you look at me
I know we're going all the way but it won't come easy

We count our rituals

Gonna head out straight, gonna manifest, meditate
Oh, we so invincible when we congregate, make the powers shake
If you wanna go fast then go alone
But we wanna go far so we stay close
So, we count our rituals
We are so invincible

Oh, ay, oh-oh ay
Oh, ay, oh-oh ay (We are so invincible)
Oh, ay, oh-oh ay
Oh, ay, oh-oh ay (We are so invincible)
Oh, ay, oh-oh ay
Oh, ay, oh-oh ay (We are so invincible)
Oh, ay, oh-oh ay
Oh, ay, oh-oh ay (We are so invincible)
