

Learn To Let Go

IDER

Learn to let go
Learn to let go

Show it off show it off show it off
Show it off show it off show it off
In my yellow dress
Show it off show it off show it off
Show it off show it off show it off
I pick up a drink and I spin in my yellow dress

Learn to let go
Learn to let go
Learn to let go
Learn to let go

Show it off show it off show it off
I pick up a drink and I spin in my yellow dress
Give it up give it up give it up
Give it up get it up give it up
So you got it together
But I'd rather be in my own mess
Fallin off fallin off fallin off

Slow it up slow it up slow it up
So you head off the table looking like you know it best
Slow it up slow it up slow it up
Feel in love feel in love feel in love
I pull out the rug and you jump like there's nothing left
Fill me up fill me up fill me up

Learn to let go
Learn to let go
Learn to let go
Learn to let go

No love free
I don't care for you, I firmly go
And I shake off you
I break off you, I'm moving on my own
Another love
And I love you
I don't care

Show it off show it off show it off
Show it off show it off show it off
Etc
