

## Bitter Core

Idina Menzel

Fair warning, I'm no walk in the park  
I'm just sayin', I'm all broken apart  
And I know you think you love me  
But I've shown you only little bits and pieces

And my story  
Breaks your heart in a way  
And I worry  
When you tell me you'll stay  
Cause you're in way over your head  
And I never wanna regret this feeling  
Just so revealing

Love me with my crown on the floor,  
My wings broken off,  
One eye on the door  
I got this crooked halo  
And walls made of thorns  
Surrounding my heart,  
But crying for more  
If you're gonna love me,  
Won't you love me to the bitter core

Believe me,  
I don't want you to go  
I'm not leaving,  
I just need you to know  
That sometimes I just lose it  
And it's not that you deserve it  
Trust me  
It's all nothing, baby

Won't you love me with my crown on the floor,  
My wings broken off,  
One eye on the door  
I got this crooked halo  
And walls made of thorns  
Surrounding my heart,  
But crying for more  
If you're gonna love me,  
Won't you love me to the bitter core

And I'm no queen,  
I don't pretend to be,  
And I messed up royally,  
So, if it's meant to be

Love me with my crown on the floor,  
My wings broken off,  
One eye on the door  
I got this crooked halo  
And walls made of thorns  
Surrounding my heart,  
But crying for more  
If you're gonna love me,  
Won't you love me to the bitter core  
(Love me)

Please love me to the bitter core  
(Love me)  
Please love me to the bitter core
