# Blind

**Idina Menzel**

You say I'm a mess
I call it the truth
You say I'm a wreck
I don't know what to do about you

Don't need to read you mind
Cause I know what you think about me
We wasted too much time
I guess I unravel slowly

And I was never kind
Or good enough for you
But you were blind...

See what you wanna see
You never found the heart of me
So you just said goodbye

Saw a little boy
Taking on the world
Blocking out the noise
Running from what hurt the most

But I believed in you
Kept you close, you never noticed
No matter what I do
Can't forgive you, can't forget

Say I was never kind
Or good enough for you
But you were blind...

See what you wanna see
You never found the heart of me
So you just said goodbye

Never, ever, ever gonna let you back inside my head
Cause now I'm not afraid to say the words I always wish I've said
No, no, no, no,no

Never, ever, ever gonna let you have this piece of me that's left
Never, ever, ever gonna let you back inside my head

Cause I was always kind
And good enough for you
But you were blind

See what you wanna see
You never found the heart of me
And now I say goodbye
