

# Dramatic

Idina Menzel

Let me be dramatic  
I can be dramatic  
In a sea of static  
Let me be dramatic

Lying awake in God knows where  
Running my fingers through my hair  
Stay up all night fighting  
Voices uninviting  
Making me wonder if you care

If you get it, you get it  
If you don't, you don't  
And if you can't quite see it you never will

I'm all yours when the lights come on  
Blow your kisses, burn this song  
You know I can't help, it's automatic  
You fell in love with me, I'm so dramatic

Let me be dramatic  
I can be dramatic  
In a sea of static  
Let me be dramatic (I'm so dramatic)  
Let me be dramatic  
I can be dramatic (Oh)  
In a sea of static  
Let me be dramatic  
Let me be dramatic

How can it be emotions change  
Faster than mercurial rain  
You get what you're needing  
You don't see me bleeding  
But only the best of me remains

If you get it, you get it  
If you don't, you don't  
And if you can't quite see it you never will  
Oh, oh  
Never will

I'm all yours when the lights come on  
Blow your kisses, burn this song  
You know I can't help, it's automatic  
You fell in love with me, I'm so dramatic

Let me be dramatic  
I can be dramatic  
In a sea of static  
Let me be dramatic (I'm so dramatic)  
Let me be dramatic  
I can be dramatic (Oh)  
In a sea of static  
Let me be dramatic (I'm so dramatic)

Let me be dramatic

I can be dramatic (Oh, oh)  
In a sea of static  
Let me be dramatic  
Let me be dramatic  
I can be dramatic (Oh)  
In a sea of static  
Let me be dramatic
