

I Got My Love To Keep Me Warm

Idina Menzel

The snow is snowing, the wind is blowing
But I can weather the storm
What do I care how much it may storm
I've got my love to keep me warm

I can't remember the worst December
Just watch those icicles form
What do I care if icicles form
I've got my love to keep me warm

Off with my overcoat, off with my gloves
Who needs an overcoat I'm burning with love

My heart's on fire, the flame grows higher
So I will weather the storm
What do I care how much it may storm
I've got my love to keep me warm

The snow is snowing, the wind is blowing
But I can weather the storm
What do I care how much it may storm
I've got my love to keep me warm

I can't remember the worst December
Just watch those icicles form
What do I care if icicles form
I've got my love to keep me warm

Off with my overcoat, off with my gloves
Who needs an overcoat I'm burning with love

My heart's on fire, the flame grows higher
So I will weather the storm
What do I care how much it may storm
I've got my love to keep me warm

Off with my overcoat, off with my gloves
Who needs an overcoat I'm burning with love

My heart's on fire, the flame grows higher
So I will weather the storm
What do I care
I've got my love to keep me warm
I've got my love to keep me warm
