Idiot Pilot

Cease to raise a question  
Or a phrase  
Let the silence speak out your name  
It's so desperate and so lame  
You are saboteur

Casual war, which side are you on?  
Depends on the day  
Day-ay-ay, day-ay-ay  
Depends on the day  
Day-ay-ay, day-ay-ay

Please don't wait  
There's no interest in your games  
What a rapid fall out of grace  
And it won't make a difference  
You are saboteur

Casual war, which side are you on?  
Depends on the day  
Day-ay-ay, day-ay-ay  
Depends on the day  
Day-ay-ay, day-ay-ay

Depends on the day  
Day-ay-ay, day-ay-ay  
Depends on the day  
Day-ay-ay, day-ay-ay  
Day-ay-ay, day-ay-ay
