

# Breathe

IDK

Oh, oh  
Oh, oh  
Oh, oh  
Ooh, ooh

All the highs and the lows make it fair  
I feel the love and the hate piercin' the air  
Can't deny or hide all my life  
That's why we get high, so high, so high (Let me catch my breath)

(Oh, oh) Let me catch my breath  
(Oh, oh) Let me catch my breath  
(Oh, oh) Let me catch my breath  
(Ooh, ooh) Let me catch my breath

All the highs and the lows make it fair (Let me catch my breath)  
I feel the love and the hate piercin' the air (Let me catch my breath)  
Can't deny or hide all my life (Let me catch my breath)  
That's why we get high, so high (Let me catch my breath)

(Oh, oh) Let me catch my breath  
(Oh, oh) Let me catch my breath  
(Oh, oh) Let me catch my breath  
(Ooh, ooh) Let me catch my breath

Let me catch my  
Let me catch my breath  
Get down  
Get down  
Let me catch my breath

(Oh, oh) Let me catch my breath (Get down)  
(Oh, oh) Let me catch my breath  
(Oh, oh) Let me catch my breath (Get down)  
(Ooh, ooh) Let me catch my breath
