If you wanna be a rogue (It's lights out)  
The consequence is pretrial (It's lights out)  
If you wanna be pimp (It's lights out)  
Then never fall for a pretty smile (It's lights out)  
I got a whole lot of exes (It's lights out)  
That got a whole lot of questions (It's lights out)  
Like why would you fight for me (It's lights out)  
Then go running for the exit (It's lights out)

A therapist once said  
That I could be up next  
To live my life upset  
I said enough said  
I never came back  
I guess that I felt attacked  
Hope I don't go back  
I try to stay refrigerated  
The bad apple hurt your belly  
'Cause you ate it  
I said the apple fell close to the tree  
I looked up, my mama looking down at me, like

Sometimes the feelings are blind  
Sometimes I can't even  
Give it a try  
Sometimes (It's lights out)  
I keep it inside (It's lights out)  
But still I cry (It's lights out)  
Still I cry (It's lights out)

It's lights out and away we go  
Racing here in Cape Coast
