

## December

IDK

'Patch, 'patch, 'patch, 'patch, 'pat-pat-patch  
'Patch, 'patch, 'patch, 'pat-pat-pat-patch, 'patch

I met this little girl, her name is Maxie  
Her beauty's like a bunch of rose  
But if I ever tell ya bout Maxie  
You're gonna say I don't know what I know, but  
Murder she wrote (I like it, I like it)  
Murder she wrote (I like it, I like it)  
Murder she wrote, na-na-na (I like it, I like it)

When I saw you I remembered  
The feeling of, the feeling of December  
My fire will be falling like timber  
Tip-toein' to class, you're like a ninja, yeah, yeah, yeah  
Ease back and gimme some time to process (Ohh)  
I need a little more time with you as an option  
Gimme some time to process  
I need a little more time to visit my logic

Oh, I like it, oh, I like that  
Oh, I like it, oh, I like that  
Ayy, I like it, ayy, I like that  
Yeah, I like it, yeah, I like that  
Oh, I like it, oh, I like that  
Oh, I like it, oh, I like that  
Ayy, I like it, ayy, I like that  
Ayy, I like it, ayy, I like that

Dispatch, yeah, dispatch (Hello?)  
We're gonna need to call them when I get that (Uh)  
Slim with them thighs that mix-match (Uh-huh)  
Sweet and your spice, ya Tic Tac (Uh, ohh)  
Dispatch, yeah, dispatch (Hello?)  
Man, every time you call, I never miss that (Uh)  
You are the one, I guessed that (I guessed that)  
I could be wrong and misstepped

Because every time I hear your body callin' for me (I like it, I like it)  
I go outside in a hurry (I like it, I like it)  
I know, know wetin you dey do me (I like it, I like it)  
If I do, you wrong, I'm sorry (I like it, I like it)  
Yeah, nobody do you like I do (I like it, I like it)  
You never see nobody move like I do (I like it, I like it)  
Ooh, you don't even say 'Hi' to me, ooh, do what you do (I like it, I like it)  
t)  
Oh

When I saw you, I remembered  
The feeling of, the feeling of December  
My fire will be falling like timber  
Tip-toein' to class, you're like a ninja, yeah, yeah, yeah  
Ease back and gimme some time to process  
I need a little more time with you as an option  
Gimme some time to process  
I need a little more time to visit my logic

Oh, I like it, oh, I like that  
Oh, I like it, oh, I like that  
Ayy, I like it, ayy, I like that  
Yeah, I like it, yeah, I like that  
Oh, I like it, oh, I like that  
Oh, I like it, oh, I like that  
Ayy, I like it, ayy, I like that  
Ayy, I like it, ayy, I like that

Tell me how and tell me where and tell me when  
You know me, I could pull up in a Bimmer or a Benz (Ayy)  
Long as you never give me no problem (Yeah, ayy)  
You don't even have to be my girlfriend, ay (Yeah)  
Every twist and every turn and every bend (Yeah)  
You're making out me life, you know me ready fi de fam (Yeah)  
Make me know it them or make them know they pretend (Yeah)  
You no say, "No," let me now give you healin' (Yeah)

Because every time I hear your body callin' for me (I like it, I like it)  
I go outside in a hurry (I like it, I like it)  
I know know wetin you dey do me (I like it, I like it)  
If I do, you wrong, I'm sorry (I like it, I like it)  
Yeah, nobody do you like I do (I like it, I like it)  
You never seen nobody move like I do (I like it, I like it)  
You don't even say 'Hi' to me, ooh, do what you do (I like it, I like it)  
Oh

When I saw you, I remember  
The feeling of, the feeling of December  
My fire will be falling like timber  
Tip-toein' to class, you're like a ninja, yeah, yeah, yeah  
Ease back and gimme some time to process (Ohh)  
I need a little more time with you as an option  
Gimme some time to process  
I need a little more time to visit my logic
