They got me pulled over again so I'm finna perform a concert
In front the police
They got me pulled over again

You wanna talk shit
You wanna run yo' mouth
You want some gangstas front yo' mothafuckin' house
We'll set this bitch on
Set this bitch on
We'll set this bitch on
Set this bitch on

Look, I'm performin' in front of the fans
On a highway
Fuck the police
Fuck the police
Without that badge you a bitch and a half, nigga
Fuck the police
Fuck the police

Are we going to jail or not?
That's the question, I don't know, the money ready
This is pocket change
Fuckin' pocket change, if we goin' to jail, the money is ready
That's what we need to know
