Well, when me and you first got back in contact I had eight years  
But starting next year, in 2023, my release date will be like 2028  
So, that's what like five years or so and change maybe?

We ready at any time  
Got me racing for your heart, the beat is the finish line  
I wasn't ready  
Uh  
We ready at anytime  
When your loyalty in question, the love is on the floor

I have people in my life now, as far as my friend, Jason  
Which the world calls IDK  
TikTok, you don't stop  
I shielded you away from the stuff that I was going through  
As far as being a high-ranking Blood member  
Some people got bills, some people got habits, and some people got expectations  
Expectations, to me, is a habit because you gotta provide that  
And if you don't you basically a nobody
