IDK

Hey auntie  
A perfect family, a perfect example of love  
Hey auntie  
Is probably something that I've never felt  
But if I had the opportunity to experience it  
Uh, what would it be like?  
Probably somethin' like

Mama cookin' breakfast in the mornin'  
With a smile on her face like, "Good mornin', baby"  
Dad readin' a newspaper, haircut a temp-taper  
Now it's time for eatin'  
Hash browns and sausages, learnin' a little vegan  
Talk for thirty minutes, my lunch packed, when I'm leavin'  
Lunchable is the flex, I fist pump like, "Yes"  
Capri Sun got me lookin' like I'm sayin' cheese  
'Cause a smile is all they want from me  
They don't really care what I become or be  
As long as I live happily while livin' comfortably  
No hangin' with thugs and livin' reckless  
Love was in this movie, my momma the one directin'  
Never needin' a whoopin' but always gettin' the message  
Wishin' we got to bond but instead I got

Broken toys, artificial joy  
Don't blow the whistle  
Don't blow the whistle  
Everything, everything, everything you  
Yeah, I wouldn't be me if it wasn't for you  
Ha-ha, ha-ha, yeah, the jokes on you  
Ha-ha, ha-ha, yeah, the jokes on you

Wishin' we got to bond but instead I got molest-

A message, maybe bein' hurt so much will send a couple blessings  
Maybe I could learn from all the pain and get a lesson  
I hope that all this pain will start to lessen  
I been holdin' this shit inside too long  
Like one right, two wrongs  
The road to healin' stuck in Rush Hour like I'm Soo Yung  
A man sayin' how he feel make him feel like Mulan  
A bitch in a man's clothes, guess that's what I stand for

Broken toys, artificial joy  
Don't blow the whistle
