

## Know Interlude

IDK

That was the very first time  
I was gone off my mind  
I said, "Who could it be"  
"That stole my attention from me?"

If I didn't know and you don't know  
Then who would know? I don't know  
If I didn't know and you don't know  
Then who would know? I don't know

Said you wasn't sure about me (Yeah)
