

Let Us Pray (Skit)

IDK

Let's Pray
Lord help this kid
I don't know what his problem is
Now you going to run away from you and chase the rappers
Going to have walk 'round bling-bling
Please touch him
Bring the demons out of him, the rap demons
Next you going to join Illuminati
Is that what you want to do next?
You want to be part of Illuminati!
[?] Illuminati!
You want to be like Kanye East?
Or West, whatever the fuck his name is?
Then you gonna name your baby what, 95 South?
What the fuck you going to do?
Or Poison Ivy?
I don't fucking know
Get your shit together
Jim IDK? What the fuck is that?
Who name you that?
Tell whoever name you that to come here right now!
Tell them to come here!
I want to see their face
Who ever gave you that name, come here, shut up, and tell them
come here
Say something right now and shut the fuck up at the same time
