

## Middle Passage

IDK

I was gettin' into it with my girlfriend, at the time  
And we just kept gettin' into it  
And all the niggas on the Death Row Records was like  
"Man, fuck that bitch, you Snoop Dogg, nigga  
You can have any bitch you want with you, nigga"  
And that nigga Tupac came to me and said  
"Man, fuck what they talkin' 'bout  
That girl love you, you need to marry her"  
And I listened to what he said and I married my wife  
And like twenty somethin' years later, we still married

Wow
