

## Puerto Rico

IDK

Girl, you're just like Puerto Rico  
Sunshine sometimes Miami  
When it rains it pours like London  
Ooo, your looks can be deceiving  
Thought I knew ya  
Close the door  
Bed or floor  
I just want more  
I can't get enough of you  
What I got in store is all of yours  
I just want more  
I can't get enough of you (Mmmmm)

She wanna ride that thang to the top of the pole  
Throw a couple dollars make her get it and go  
From the front, from the back  
From the side, do it face to face  
Understand I'm a free agent but I'm yours today  
Single like dollar, like radio play  
For the rate of your head, I'll promise I'll stay  
Gotta switch up the station like àndale  
Single like uno no dos or no tres  
(Five star bitch when she ask I don't trip)  
(Five star bitch when she ask I don't trip)

Only rolling with a slider  
I'ma pull up, you should roll up, get the lighter  
Put it on me nice and slow  
Mixing drinks up with tequila, she a fighter  
I light her fire, anything goes  
Two at a time, they finding twins, they Gemini's  
And they keep switching sides, mmm, not surprised (Okay)  
She always know that her problem is always telling lies  
We over analyze, I see it in her eyes I know
