

These girlies thinking that the liq' is sweet  
They thinking I'm a fool and they can play with me  
The reason why I only want one thing  
And if they want commitment or my dough I tell em

No no no no no  
No no no no no  
No no no no no  
No no no no no

I smoke a doobie just to ease the pain  
While praying that this substance do not escalate  
I'll even sell it just to pay tuition  
And if the Feds is listening and they ask I'll tell em

No no no no no  
No no no no no  
No no no no no  
No no no no no

The teacher lecturing another class, but I done fell asleep so I ain't even  
catch it  
I asked the nerd to the left of me  
If I could see his notes and he replied and told me

No no no no no  
No no no no no  
No no no no no  
No no no no no

Whilst y'all was probatin'  
I was on Probation  
While y'all was relay racing, I was dough chasin  
Trying to make up for all the time that was much  
Wasted from drinking no chasing  
Ending up in the bathroom throwing up  
Was the story of my life when trying to go to college  
Trying to gain some knowledge  
But ended up getting Knowledge  
From another type of brain, but still she was a scholar  
Holler  
If you understand what I'm saying my man  
My momma graduated and was working on her masters  
With a good job, so middle class is what they classed us  
But in reality a nice house don't mean shit, if you can't afford to keep the  
lights lit  
So I spit, 'till you mutherfuckers tell me I'm the shit  
And I'll shit  
Cause these unauthentic rappers ain't legit  
Maryland  
Gone fuck with me when they hear me y'all ain't hear me  
When I said my mouth a Shotty  
Now this shit's a fucking semi  
Bow!
