IDK

Ooh  
Uh-huh, uh, uh  
Yeah, uh

Lately, I been workin', tryna be okay  
I can never have another yesterday  
Time to celebrate, hooray, hooray  
And now it's time to pray, holy, holy  
Heart racin', no motivation  
No patience, but I'm waitin'  
Dog races, no correlation  
Can I get a light? Can I put it in?

Rotation, (Smoke) stop pacin' (Smoke)  
Stop pacin', (Smoke) stop pacin'  
Rotation, (Smoke) stop pacin' (Smoke)  
Stop pacin', (Smoke) get it and stop

'Cause, baby, you got it  
I want it, I want it, I want it  
Baby, you got it  
I want it, I want it, I want it  
Baby, you got it (Got it, got it, got it)  
I want it, I want it, I want it (Got it, got it, got it)  
Baby, you got it (Got it, got it, got it)  
I want it, I want it, I want it (Got it, got it)  
And get it and stop

I been workin', tryna get my money straight  
It's like I always come up with another complaint  
I been tryna take it in day after day  
I clock in, time on fadin' away  
Mm, reality facin', I'm back to basics  
I track with Asics, run it, I lace it  
Gun it, I sat down, spun it, goin' round and round  
All this shit is comin' from my mind, so I put it in

Rotation, (Smoke) stop pacin' (Smoke)  
Stop pacin', (Smoke) stop pacin'  
Rotation, (Smoke) stop pacin' (Smoke)  
Stop pacin', (Smoke) get it and stop

'Cause, baby, you got it (Smoke)  
I want it, I want it, I want it  
Baby, you got it  
I want it, I want it, I want it (Come on)  
Baby, you got it (Got it, got it, got it, that's right)  
I want it, I want it, I want it (Got it, got it, got it)  
Baby, you got it (Got it, got it, got it, come on)  
I want it, I want it, I want it (Got it, got it, come on)  
And get it and-
