IDLES

The change will do you good  
I always knew it would

Sometimes I'm thinking that I love you  
But I know it's only lust

Your kiss so sweet  
Your sweat so sour  
Your kiss so sweet  
Your sweat so sour

Sometimes I'm thinking that I love you  
But I know it's only lust

The sins of flesh  
Are simply sins of lust  
Sweat's running down your back  
Sweat's running down your neck  
Heated couplings in the sun (Or is that untrue?)  
Colder couplings in the night (Never saw your body)  
Your kiss so sweet  
Your sweat so sour

Sometimes I'm thinking that I love you  
But I know it's only lust

The change will do you good  
I always knew it would  
You know the change will do you good  
You know the change will do you good  
Damaged goods

Send 'em back  
I can't work, I can't achieve  
Send em back  
Open the till,  
Give me the change you said would do me good  
You said you're cheap but you're so smart  
Your sweat so sour

Sometimes I'm thinking that I love you  
But I know it's only lust

The change will do you good  
I always knew it would  
You know the change will do you good  
You know the change will do you good  
Goodbye, goodbye, goodbye, goodbye, goodbye  
Goodbye, goodbye, goodbye
