IDLES

"Ah sure, see Mark, he's— he's got one of them fuckin' [?]... he's th
e future."

Na na na na na na na na
Nothing ever happens

It seems like no one cares
I think I'll take the stairs
'Cause nothing ever

He punched himself in the face
To prove he wasn't gay
'Cause nothing ever happens

Over and over and over and over again
Na na na na na na na na
Nothing ever happens

I dropped onto my knees
And prayed to Jesus please
Will something fucking happen

Then they killed poor George dead
They put a hammer through his head
Now nothing ever happens

Over and over and over and over again
Na na na na na na na na
Nothing ever happens
