

## Mood Swings

## IDLES

'Cause I've been all around town, bass thuddin', drown as these  
sounds come in  
I've been on a high, low, free souls go only where the love is  
But I've been havin' mood swings, mood swings, mood swings, mood  
swings  
Mood swings, mood swings, mood swings, mood swings

Suckin' on my titties like you wanted me, calling me  
All the time like Blondie, check out my Chrissie behind  
It's fine all of the time  
What else is in the teaches of Peaches?  
Like sex on the beaches  
Huh? What?

'Cause I've been all around town, bass thuddin', drown as these  
sounds come in  
I've been on a high, low, free souls go only where the love is  
But I've been havin' mood swings, mood swings, mood swings, mood  
swings  
Mood swings, mood swings, mood swings, mood swings

Who is dis doin' this synthetic type of alpha beta psychedelic funk in'?

Who is dis doin' this synthetic type of alpha beta psychedelic funk in'?

Who is dis doin' this synthetic type of alpha beta psychedelic funk in'?

Who is dis doin' this synthetic type of alpha beta psychedelic funk in'?

'Cause I've been all around town, bass thuddin', drown as these  
sounds come in
