IDLES

There's a snake in my boots  
There's a rat in my cage  
There's a shark at my feet  
That's been circling for days

There's a vulture at my breakfast table  
People think I'm insane

Rottweiler

There's a snake in my boots  
There's a rat in my cage  
There's a shark at my feet  
That's been circling for days and days

There's a vulture at my breakfast table  
People think I'm insane  
There's a ghost in my bed  
There's milk in my coffee

Ruin it!  
Destroy the world!  
Burn your house down!
