If I tell another lie then I might get to stay
If I tell another lie then it might go away
Hooray hooray
I'll wear the sun
Hooray hooray
I'll tell the sun

You started at left and went to the right
Shake it to the left, shake it to the right
Shimmy to the left, shimmy to the right
Shake it to the left, shake it to the right

Who's the one that calls the blame?
Who's the one that makes mistakes?

If I tell another lie then I might get to stay
If I tell another lie then it might go away
Hooray hooray
I'll wear the sun
Hooray hooray
Politics is fun

You started at left, then you went to the right
Shake it to the left, shake it to the right
Walk it to the left, walk it to the right
Shake it to the left, shake it to the right

Who's the one that calls the blame?
Who's the one that makes mistakes?
(You!)
Who's the one that calls the blame?
Who's the one that makes mistakes?
(You!)

If I tell another lie then it might go away
If I tell another lie then I might get to stay
Hooray hooray
Politics is fun
Hooray hooray
Wait around and run

If I tell another lie then I might get to stay
If I tell another lie then it might go away
Hooray hooray
Politics is fun
Hooray hooray
Wait around and run
