You don't have to tell her how beautiful she looks
??
on the water
But I don't reflect on the water
I'm confused
I ain't care
I'm always confused by this concern
She said, she said so
You look like someone I know
Someone I know
Silence
She said, she said so
You look like someone I know
??
She said, she said so
You look like someone I know
Oi! Oi! Oi! Oi! Oi!
Stop! Stop! Stop, for fuck's sake! Stop!
I've got the receipt for hummus
Serve as a ?
Or as a delicious filling for sandwiches and baked potatoes
You need 50 grams of chickpeas
The juice of 1 lemon
2 cloves of garlic crushed
And 1 tablespoon of olive oil
You need one more tablespoon of tahini
And 50 miligrams of water
Oh, that optional apparently
Then you need 1 tablespoon of freshly chopped parsley
And 1 tablespoon of pine nuts
And then this is how you make it
Place all the ingredients apart from the parsely and the pine nuts
In a food processor and blend it until smooth
Add a little water and if necessary
To achieve the required consistency
Serve garnish with parsley and pine nuts
