When it feels like
When it feels like
Culture gets too much for me
I go, I go outside
Singing songs to alabis
Singing songs to alabis
Singing songs to alabis
A song is a beautiful lie
A song is a beautiful lie
A song is a beautiful lie
A song is a beautiful lie
A song is a beautiful lie
A song is a beautiful lie
A song is a beautiful lie
A song is a beautiful lie
A song is a beautiful lie
A song is a beautiful lie
A song is a beautiful lie
A song is a beautiful lie
A song is a beautiful lie
A song is a beautiful lie
A song is a beautiful lie
A song is a beautiful lie
A song is a beautiful lie
I know that one day when you die
Maybe you will buy
Maybe you will buy
And now I sit alone and sigh
A song is beautiful lie
