

# What About Us?

Ify Alyssa

Remember the rain was falling down  
Skies were grey, and shy

Remember the night with no stars  
Here I am, I need to say

Feels like butterflies have the broken wings today  
I don't know

What about you?  
What about me?  
What about everything?  
What about us?

What about you?  
What about me?  
What about everything?  
What about us?

Remember the night with no stars  
Here I am, I need to say

Feels like butterflies have the broken wings today  
I don't know

What about you?  
What about me?  
What about everything?  
What about us?

What about you?  
What about me?  
What about everything?  
What about us?

Hope the sun will shine again  
Hope the birds will sing again

What about you?  
What about me?  
What about everything?  
What about us?

What about you?  
What about me?  
What about everything?  
What about us?
