

Cheeks

Iggy Azalea

So fat it just sit up on my back
Got you begging me to sit it in ya lap
Make em holler uncle when it clap
All them girls with the cheeks where you at?
All them girls with the cheeks where you at?
All them girls with the cheeks where you at?
Make em holler uncle when it clap
All them girls with the cheeks where you at?

Cold bottle shape you're up he in my face
The way you make it shake make it more than I can take it
Rude girl running like a race got them gold metal legs and my mind in
second place
I wind it up for ya like a coo coo clock
I throw the flat back set and I said woo woo stop

Bend it over to the front
Put your fingers on ya toes
If you got a fat back where you at let me know huh

So fat it just sit up on my back
Got you begging me to sit it in ya lap
Make em holler uncle when it clap
All them girls with the cheeks where you at?
All them girls with the cheeks where you at?
All them girls with the cheeks where you at?
Make em holler uncle when it clap
All them girls with the cheeks where you at?

Put her out with it go and touch it but don't put your hands on it
If it's big enough watch me do a dance on it
Got you on a trance on it make bounce 50s hold the dance on it
I said MJ thriller dance flow killer wanna bake this cake gotta add m
ore striller huh
It's talking like dealer iggy igg aka the Balmain g filler
Wanna tell me bout it but they don't hear me though
I let it talk to you but you don't hear me though

Now bend it over to the front
Got ya fingers on ya toes
If you got a fat back where you at lemme know huh

So fat can't you sit up on my back
Got you begging me to sit it in ya lap
Make em holler uncle when it clap
All them girls with the cheeks where you at?
All them girls with the cheeks where you at?
All them girls with the cheeks where you at?
Make em holler uncle when it clap
All them girls with the cheeks where you at?
