

## He's Dead / She's Alive

Iggy Pop

He's dead, she's alive  
He's dead, she's alive  
She's gonna get him by the eyes

He's slow, she's fast  
He's slow, she's fast  
She's gonna get him with that ass  
He's gonna ... he's gonna ... he's gonna ... baby, baby

Woohoo  
He's gonna fuck to death now  
She's gonna fuck to death now  
They're gonna fuck to death now  
Woohoo  
Fuck to death

Alright
