

# Self-Made Man

Ignite

I don't judge you  
On what you say  
But I judge you  
On what you've done

Completely two-faced  
Turned on me again  
I feel so sorry for you  
Because I know you'll have no friends

Screaming at the top of my mind  
You don't listen to a word I say  
I'm screaming at the top of my mind  
You don't listen  
I feel so sorry for you
