

Fast as a Shark

Ignitor

Fog in the streets
A church clock beats
Midnight - darkness all around

You better beware
You better take care
Be prepared for the shock

The time has come
And hes the one
Whos breathing down your neck

Coming from behind
Now its your time
A loser will die

Fast as a shark hell cut out of the dark
Hes a killer - hell rip out your heart
On a one way track and youre not coming back
cause the killers on the attack

Surprise attack
Coming from the back
An expert of the deadly knack

Just take care
Just beware
Be prepared for the fight

Fast as a shark hell cut out of the dark
Hes a killer - hell rip out your heart
On a one way track and youre not coming back
cause the killers on the attack

Watch out - watch out

Fast as a shark hell cut out of the dark
Hes a killer - hell rip out your heart
On a one way track and youre not coming back
cause the killers on the attack

Fast as a shark hell cut out of the dark
Hes a killer - hell rip out your heart
On a one way track and youre not coming back
cause the killers
cause the killers
cause the killers on the attack
