

Hung, Drawn, And Quartered

Ignitor

Underneath the chambers
Right beneath their eyes
Sitting on a powder keg
Ending all their lies

Sentry turns too quickly
Everything is lost
Overpowered caught redhanded
What will be the cost

[Chorus] :

Hung, drawn and quartered
Split from ear to ear
Hung, drawn and quartered
All the king's horses and all the king's men
Couldn't put me back together again

Ground into submission
They burn me to the bone
Question after question
In that mocking tone

Treason! Verdict of the jury
Black cap judges head
Take him to the wooden scaffold
Hang till you are dead

[Chorus]

Hung, drawn and quartered
Split from ear to ear
Hung, drawn and quartered
All the king's horses and all the king's men
Couldn't put me back together again

[Chorus]

Hung, drawn and quartered
Split from ear to ear
Hung, drawn and quartered
All the king's horses and all the king's men
Couldn't put me back together again

Dragged out by the king's guard
Branded by the crowd
Mornings entertainment
See them laugh aloud

Placed upon a funeral pyre
Dressed up to the nines
Every year razed to the ground
A 100,000 times

[Chorus]

Hung, drawn and quartered
Split from ear to ear
Hung, drawn and quartered
All the king's horses and all the king's men

Couldn't put me back together again

Hung, drawn and quartered
Split from ear to ear
Hung, drawn and quartered
All the king's horses and all the king's men
Couldn't put me back together again

Hung, drawn and quartered
