

Doin' It

Ike & Tina Turner

Do it, baby
Oh, oh

Play your piano, oh
That's workin' it
Goin' home
Go for whatcha know

Groove me
Groove me
Groove me, baby
Now or never
Like Daddy
Yeah

You make my liver quiver
My toes shiver
Yeah
Do it, baby

Goin' home
To get it
I like that
Yeah

Now let's, let's
Change the groove
Yeah
Are you comin' closer?
Little bit closer
Change it
