

# Don't Play Me Cheap

Ike & Tina Turner

Don't play me cheap  
'Cause you know I'm in love  
Don't make me forget that I'm a nice girl  
Treat me gentle until we're alone  
And scold me, baby, after you get me home

Don't make me cry when I'm out with friends  
You know you hurt me  
I can't hold tears within  
So treat me gentle  
Until we're alone  
And scold me, baby, after you get me home

Don't make me smile when I'm unhappy inside  
Don't make me pretend after the troubles begin  
Let me smile and have fun  
Talk to me gently until the night is done

Don't make me cry when I'm out with friends  
You know you hurt me  
I can't hold tears within

So treat me gentle until we're alone  
And scold me, baby  
Oh, scold after we're home
